

Rockland Energy Advisory Committee

Rockland Public Library @ 4:45 PM - June 24, 2014

Attendance: Larry Pritchett, Norma Athearn, Tony Coyne, and Bill Pearce.

The minutes of May 27, 2014, were reviewed and approved as amended by the Committee.

Larry attended a Habitat for Humanity conference this morning at the Samoset. Larry thinks it might be a good idea to have Habitat for Humanity talk to our committee.

The Cordjia HVAC Proposal was discussed. The Test Snow Melt, Radiant Temperature Sensor / Check Valve, and Radiant Programing items have been delayed to next fiscal year.

Next Energy Advisory Committee is July 22, 2014, at 4:45 PM.
