To all Businesses in the City of Rockland New way to file your Personal Property

For your convenience you can now email your Personal Property information to the City of Rockland Assessing office each year. We have attached all the forms you will need and they can also be found on the Assessor page on The City of Rockland website (www.ci.rockland.me.us)

Personal Property Declaration form has to be updated each year. It is attached as a fill form. You will need to convert to a pdf and saved to your file before attaching and resubmitting to our office.

The **Asset list** is in on an **Excel spread sheets** to save you time each year. Once you have filled out the form for this year save to your computer and you can just update the year, additions and deletions each year before returning them to the Assessing office. The Asset list needs to be returned with your declaration.

Check the Assessors page on the City of Rockland website for **BETR** and **BETE** forms in excel spreadsheets. They can be submitted by email and also once you have entered for this year you can save to your computer and use each year.

The above forms can be found on the City of Rockland website (www.ci.rockland.me.us) on the Assessors page. Please contact the office with any questions you may have.
