Rockland Volunteer Appreciation Day

Rockland, ME February 19, 2016 — Mayor Louise MacLellan-Ruf and City Manager Jim Chaousis are extending an open invitation to all members of City Commissions, Committees and Boards; including all Library volunteers, call division volunteer firefighters and staff to attend the City's Volunteer Appreciation Evening at City Hall beginning at 5:30 PM on Monday, February 29th, 2016. The City is rightfully proud and continually mindful of the value of the important work taken on by over 160 community volunteers! "We want no one left out! If someone picks up a park anonymously, they're invited." stated Jim Chaousis as the planning ramps up for a long overdue evening of appreciation, recognition and refreshment in the Council Chambers.
