

Minutes of April 7, 2016, Parks Commission Meeting

5:00 PM at Board Room of the Rockland Public Library

Attendance: Bill Pearce, Alison Weaver, and John Grondin. Guest: Terry Pinto, David St. Laurent, and Chris Donlin.

The minutes of January 7, 2016, were approved.

David will try to find out what has happened to the Parks Commission budget.

Alison made a motion to put flowers on the poles on Main Street and Park Street. John seconded it. The vote was unanimous.

The removal of the willow tree on Lakeview Terrace was discussed. Although the tree was determined to be on private property, the roots made a massive blockage in the storm sewer. Bill was concerned about the trunk being able to regenerate the tree and the root damage. David will look into the situation.

Terry indicated Susan Beebe, Robert Liberty, and Terry Pinto would like to improve Winslow-Holbrook Park without cost to the city. Alison makes a motion, seconded by John, to improve Winslow-Holbrook Park. The motion was approved unanimously.

John provided a Tree Warden report. Public works department just received an invoice for \$1,125.00 for trimming the trees.

Next meeting at Ralph Ulmer Park will be on May 11, 2016, at 5:00 PM for the Parks Commission.

Adjourned at 5:59 PM.
